Dear Judge Waldor:

Our firm represents defendants, Township of Bloomfield and Police Chief Christopher Goul in the above referenced matter. At our last Settlement Conference Your Honor graciously offered to conference the matter again with a view toward settlement if the parties' positions changed to a degree that would render further discussion potentially meaningful. Ms. Hinson has provided a revised demand, she and I have discussed the matter since that time, and I have obtained the authorization of the Joint Insurance Fund and its excess carrier to participate in a further Settlement Conference. If Your Honor has some availability in early – mid December to entertain counsel and the Joint Insurance Fund's representative, it would be greatly appreciated.

Thank you.

Respectfully yours,  
WEINER LESNIAK LLP
